

**To make**

First, cut it out around the outside edge, then score and crease all the 'broken' lines.  
 Assemble it by following the instructions on the right.  
 This model is of the 'fold and tuck' variety, needing no glue, yet it is quite robust.

**To assemble**

Keep all the numbered end flaps sticking out, and 'roll' it into shape (taking care to keep individual faces flat) so that the face marked 'A' goes *under* the January/April face.

Then, working on one end at a time, bend flaps 1 to 3 down in that order.  
 Finally, lay flap 4 over 3 and tuck it under 2.
